Parents Threaten Suit On School Bus Service

A technical point on bus transportation involving 2/10 of one mile may wind up in a law suit against the Jefferson Elementary School district.

Some 20 citizens from the Thiers-Wyandotte-Abbott area appeared at Wednesday night's board meeting to demand that their kindergarten children be provided bus service to Woodrow Wilson school on Miriam street.

The residents insist that their homes are 8/10 of one mile from the building, thus entitling them to transportation under the state's ¾ mile minimum ruling.

Under the state set-up, school district's are re-imbursed only for providing transportation for students living ¾ mile or more from their "school attendance."

Trustees Agree

The board of trustees agrees that the children are 8/10 of one mile from the Woodrow building, but maintain that the distance is measured to the bus terminal, which is at the district administration building on Santa Barbara avenue.

Asked for an official interpretation, deputy district attorney Lyal Edson, who serves the local district, said, "The distance is measured from the point the pupil boards the bus to the school of attendance. In this case I believe the administration building would constitute the school of attendance, since the bus loads and unloads the students on Santa Barbara."

Disagrees

"I disagree," said a member of the audience. "The Woodrow building is separate and apart from the administration building."

This, in a nutshell, is what the whole argument was about.

Sid Schieber, 124 Thiers street, who did most of the speaking for th parents, said, "I'll be willing to pay all legal expenses to fight this interpretation of the district's. I'm just interested enough to go ahead with it."

Consult Parents

After the meeting Schieber said he would consult with the other area parents to determine if they will actually contest the decision.

The parents argued that their four and five year old children were being subjected to dangerous street crossings on Hillside and Mission street and added that children of that age could not be expected to make such a long trip on foot.

Essence of the board's argument was that if they granted a special favor for these parents, there were

THE TOWN RECORD

By MONTE DAYTON

History: The first elevator to grace Daly City is not the one installed at Westlake's new medical-dental bldg., as reported by a down town columnist last week.

It's right here at THE RECORD plant, where it was brought in around 1925 and is, to this day, still operative.

Beats Westlake's by some 29 years.

DC auditor WILLIAM THIELMEYER testified on the sizzling WILLIAM F. CROSBY embezzlement case Friday.

Crosby was indicted on 36 separate counts of embezzlement of public funds. Thielmeyer, who audited Crosby's books, said at one time Crosby's accounts were $12,000 short.

This is a new one: GEORGE LAGOMARSINO, who deals in home rentals and sales, called THE RECORD this week to ask if we knew of a house for rent.

Confusion: One councilman dropped into a grocery store this week to buy a couple beers (for medicinal purposes) and was promptly asked by the proprietor, "Howza come you guys need a $1,600,000 for a new school?"

"What?" replied the astounded city father.

"Well, aren't you asking for a $1,600,000 bond issue next month?" the groceryman queried.

Which just goes to show why councilmen get grey. They get blamed for spending the schools' moneys, too. Said councilman needed the two beers before the conversation was over.

WILLIE RITCHIE, one-time world lightweight champ (now with the state athletic commission) who will be an honorary guest at the OLPH Men's club opening night fight card at the community center October 28, tells this story about the days when he boxed out Daly City way at the Sickles-Mission arena.

The arena stood all alone in a setting of sand dunes, with the only other building about two country blocks away.

Because of transportation, or lack of it, Ritchie used to travel out to the pavilion the night before a fight to insure geting there in time.

He rented the one lonely distant building for a dressing room, had to suit up there, and walk the two long blocks garbed only in trunks and robe.

And no police escort, either.

SET BOND ISSUE AT $328000

Jefferson Elementary trustees Wednesday night mapped a five-year program for building and called for a bond issue of $328,000 to be voted on an election December 7.

The $328,000 figure will bond the area to the five per cen capacity, entitling the district to a $917,000 state loan.

The board decided that a five-year financial program to carry out the district's building needs would solve two problems: It might end building altogether for the district; it would avoid calling future bond issues during the next five years.

On December 7 ballot voters will probably be asked to approve an estimated additional $1,000,000 in bonds, which will not be sold until succeeding years.

During the coming year, alone, there is an estimated $1,300,000 in building projects scheduled.

Without the $328,000 and the $917,000 state loan, the district would be unable to proceed with the drastically needed buildings, trustees explained.

Val Franz Chairman Of Local Planners

In a re-organization meeting Tuesday night, the Daly City planning commission appointed Val Franz as chairman and George Pingry as secretary.

Re-shuffling of the commission personnel came about following the council's ouster last month of Fred Bertetta, former head of the group.

WHY DELAY ON PG&E LANDSCAPE, VICKERS ASKS

"What's holding up the PG&E landscaping at their new sub-station in southern Daly City?"

That's the question proposed to fellow councilmen Monday night by Councilman Sanford Vickers.

Vickers pointed out that the rainy season was almost here and that the planting should be done before that time.

City Administrator Dan Anderson said he understood work was to start immediately.

Joe Rohl, local PG&E manager, commented later that, "I have been put in a very embarassing situation. I was informed landscaping would start September 1, but it has been held up somewhere along the line."

He said a contract had been let for the project to beautify the sub-station located in the Abbey Homestead area.

CITY TO JOIN REC. AND PARK DEPARTMENTS

Coordination of parks and recreation into a single department was called for Monday night by the city council.

Since there is no ordinance affecting the two departments, the combination can be brought about by motion only, City Attorney Frank Blum explained.

However, he pointed out, an ordinance must be passed giving the recreation commission jurisdiction over parks, since the commission's duties are now limited to recreation by a previous ordinance.

Blum said he would draw up the necessary papers to bring about coordination of the two departments and defining director James Mason's duties.

MAID PLEADS NOT GUILTY TO COIN THEFT

Charge $2000 In Rare Money Taken

Vera May Hinds, 29-year-old domestic helper, who allegedly took nearly $2000 worth of valuable coins from her Daly City employer, pled not guilty in municipal court yesterday (Thursday) to three counts of grand theft amounting to $1660.

Not guilty plea was entered in her behalf by the court, since she was not represented by attorney.

Preliminary hearing has been set for next Thursday, at which time an attorney will be appointed from the court to appear on Miss Hinds behalf.

Daly City police arrested the attractive young Cuban woman Monday, after staking out two personnel on the premises of the victims, Mr. and Mrs. Milton C. Strauch, 77 Westbrook.

Under Suspicion

Local police said she had been under suspicion for some time after the Strauchs reported several thefts of the rare coins over a period of several months.

Miss Hinds, who came in every two weeks to do house cleaning at the Strouch home, allegedly took nearly 200 of the dated coins valued at $2000 during her employment with the Daly City family.

Monday afternoon climaxed a lengthy investigation by the local department as two officers hid on the Strouch premises to observe the woman's activities.

The coins, ranging in value from a few dollars to $70 had been kept in a container in the home. Mr. Strauch is a numismatist.

Earlier Monday before the maid came to work Officer John Walsh marked the coin container and coins with a fluorescent powder.

Policewoman Hidden

Policewoman Juanita Guisti was left inside the house to observe the domestic's actions.

At about 1:30 p.m. Mrs. Guisti reported that disturbance of the fluorescent material indicated the coin container had been tampered with.

Confronted by police, the woman admitted she had taken the dated

Charles Ford Is Named Official Water Dept. Head

Charles A. "Gus" Ford, acting superintendent of the Water department for the past year, was officially named to the position Monday night by the city council.

Councilmen approved Ford's appointment as water department superintendent on recommendation of the civil service board of review.

Ford's one-year as acting superintendent was officially termed his probationary period by the council, after city attorney Frank Blum ruled that this was legal.

Ford's salary will be $481 a month.

AMOROSO PICKED UP AGAIN

Charge Possession Of Narcotics 2nd Time

Clarence "Sticks" Amoroso, who was released on a Daly City narcotics possession count September 9 because of inadequate evidence, was arraigned in San Francisco municipal court yesterday (Thursday) on a new narcotics charge arising out of his arrest Saturday.

Amoroso was picked up by San Francisco police with his wife, Helen, in their apartment at 309 Castro street.

"Sticks" Amoroso
. . . A Brief Freedom

Officers accused Amoroso of selling marijuana cigarettes for $1 each to students at Mission and Continuation High schools.

Formal charge lodged against Amoroso yesterday, however, was only on possession, not sale of narcotics.

This is the same count from which he was dismissed in Judge Thomas L. Bocci's municipal court on September 9, following his arrest at the Hilltop Lodge August 22 with two other youths.

Bocci dismissed the case, apparently after the district attorney's office failed to present sufficient evidence.

In addition to Saturday's narco-

FIGHTING BAR PATRON GETS FINE OF $150

Edward S. Riley, 41, of Stockton, the gentleman who cursed, kicked, slugged and generally disrupted the demeanor of three Daly City policemen on August 8 at a Hilltop Lodge ruckus, was fined $150 for his actions in municipal court yesterday (Thursday). He was found guilty of disturbing the peace and assault and battery.

Judge Thomas L. Bocci sentenced Riley to 20 days in the county jail, suspended on condition he pay the fine.

Following his arrest, Riley had entered a not guilty plea. At the time of trial, however, he withdrew this plea and admitted his guilt.

Police report showed the August 8 incident started at the local tavern after Riley used profane language against officer John Coleman. Attempt to arrest Riley was made, whereupon he struggled and began cursing at Coleman, refusing to be taken.

Sgt. Ricco Benedetti stepped in to aid Coleman, at which time Riley slugged Benedetti and kicked Coleman.

The gendarmes eventually got Riley to city jail, with another officer, Charles Van Otten, giving assistance.

When they had Riley inside the pokey, he began to fight again, breaking Van Otten's watch and bending Benedetti's police badge.

Burglars Loot Stores Of $1000

Burglars, borrowing tools from one store to crack a safe and enter two adjacent establishments, looted three businesses in the Broadmoor Shopping Center of approximately $1,000 in cash and an unknown quantity of narcotics early yesterday morning.

According to police, over $700 was taken from the Broadmoor Pharmacy and $200 stolen from Berning's Men's Store. Tools, used to complete the triple theft, were lifted from Gamble's Western Auto Co.

Charles Hillderbrand, owner of the Broadmoor Pharmacy, discovered the theft yesterday morning when he found his safe missing from the usual place. The bandits dragged the safe into the basement where they succeeded in opening it by knocking off the hinges with the borrowed tools. The safe contained the cash and narcotics, discribed as codeine mixture and percondan.

Cutting a hole in the roof of the south end of Gambles, the burglars entered and dropped to the showroom through a small vent. From Gamble's basement they forced a door leading to the Pharmacy.

Breaking the lock on another basement door, they entered Bernings and took about $200 from the cash register.

Possibilities that narcotics was the chief motive was not probable, according to police, because the prescription shelves were left intact.

COUNCIL VETOES $2.50 DEPOSIT ON WATER "BEEFS"

Proposal to charge a $2.50 deposit on all water bill complaints was vetoed by the city council Monday.

Stating that the water department had as many as 40 unjustified complaints on water meter readings in one day, Superintendent Charles A. "Gus" Ford made the deposit recommendation to the council.

"We don't have a large enough staff to handle all these calls that come in every day. I have to put a man on full time just checking out these complaints," Ford charged.

Refund If Right

His suggestion was that persons lodging a complaint should post a $2.50 deposit. "If they're right, we refund their $2.50 and make an adjustment on their water bill. If their coplaint is not warranted, then the $2.50 could be kept by the department as a service charge," Ford said.

On advice of City Attorney Frank Blum, who said it couldn't legally be done, the council moved against Ford's proposal.

Increase Water Rate

"However," Blum continued, "If,

WILSON-VICKERS IN VERBAL TIFF AT MEET

Councilmen Sanford Vickers and Del Wilson took part in a brief clash of tactics at Monday night's meeting.

Following reading of the minutes of the previous meeting, the mayor asked if there were any errors or omissions.

Vickers maintained that last week's petition protesting rezoning of Teresa Terrace to commercial classification should be incorporated in the minutes.

"A lot of people are moving into that area and I think the petition protesting commercial zoning should be a matter of public record to keep the people informed," Vickers said.

City Clerk B. C. Ross explained that the entire proceedings of any meeting can't be covered in the minutes, but that it was up to individual councilmen if they wished to see specific transactions in the official report.

Wilson then said, "If this is the case I would like to see the petition made at the May 10 meeting placed in the May 10 minutes."

With an official "harumph," Ross and City Attorney Frank Blum quietly told Wilson that it was a little late for that.

"If you wish, Councilman Wilson, you may have the May 10 minutes re-opened and then enter this petition," Blum said.

"I can't understand this feeling of yours, Mr. Wilson," said Vickers. "Are you doing this just because I am?"

Wilson did not ask that the minutes be re-opened.

Ciampi Asks $3500 In Addition To Regular School Fee

Commenting that it was the first time such a situation had arisen, the district attorney's office, in a formal opinion to the Jefferson Elementary school district Wednesday, said that Architect Mario J. Ciampi was probably entitled to $3500 in excess of his regular fee for a delay caused by a contractor.

Ciampi, in a precedent setting action, asked $3500 from the school district on the Colma primary school project, because of a delay on the part of Contractor Stewart Co.

Stewart held up the job more than a year and when the district demanded immediate completion of the project, Stewart was nowhere to be found.

The district attorney also ruled that the district should be paid $25 per day from Stewart for liquidated damages past the day of the school's scheduled completion.

Amount owed the school for damages comes to $4625. Trustees agreed that that amount should be withheld from Stewart's progress payments on the job. In addition, they said, the $3500 Ciampi fee should be added to the damages against Stewart.

Chairman Helen Cheatham said, "I don't see why we should pay the $3500. That's part of the damages we should file against Stewart."

RR Track Resident Changes Address To County Bastile

Hunger was again the downfall of Henry Mack, 37, who resides at Daly City's railroad tracks, when not making visits to the county jail.

Monday in municipal court Judge Thomas L. Bocci sentenced Mack to six months in the county cooler, without credit for time already served.

Mack was arrested for burglary on July 23 when, after being stricken by hunger pangs, he lifted several chickens, hams and slabs of bacon from Economy Frozen Foods on Station avenue.

Instead of eating the viands, however, he decided it would be more profitable to sell them. He made his big mistake when he tried to vend the meat to a market on Junipero Serra boulevard, only blocks away from the burglary scene. The owner summoned police, who linked Mack to the food locker break-in.

Last week Mack entered a plea of not guilty by reason of insanity.

The court found otherwise, and Mack is now setting up household at the county bastile.

Broadmoor Youth Pleads Not Guilty To Burglary Count

Dale Morris Chinevere, 20, of 1803 Sweetwood drive, Broadmoor, waived preliminary hearing yesterday (Thursday) in municipal court and entered a plea of not guilty to charges of burglary and attempted car theft.

The youth was picked up Sunday morning about 3 a.m. in a Mission street used car lot, where Daly City police said they found him attempting to break into a locked vehicle.

On investigation, police found the rear window of the auto lot office had been broken and 15 sets of keys taken.

The keys were found on Chinevere's person, police said.

Chinevere was represented yesterday by Joseph Lewis, a court appointed attorney. Chinevere was re-booked at Redwood City, where bail was set at $2000 cash, $4000 bond.

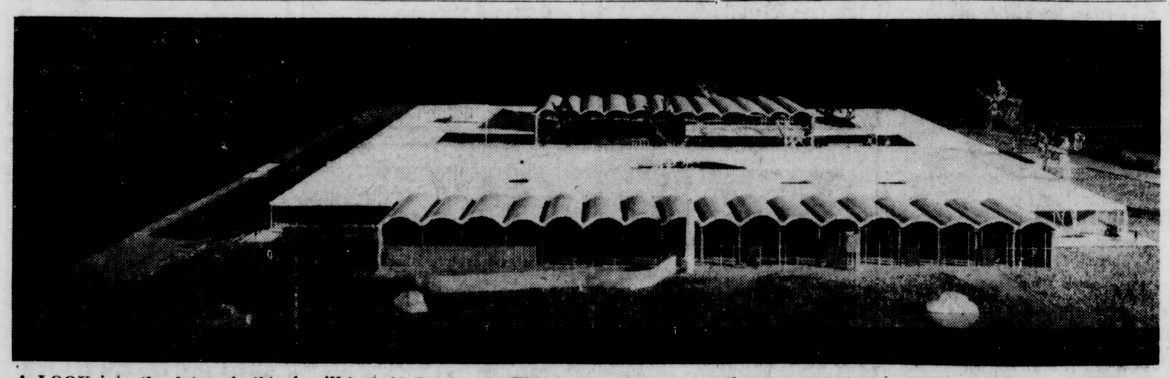
Trial will be scheduled by superior court.

Council Outlaws Pinball Machines For Daly City Minors

Persons allowing minors to play pinball machines will be subject to having their business licenses revoked, the city council ruled Monday night.

In a proposed ordinance the council voted that it shall be unlawful for any person under 18 years of age to play a pinball machine.

Earlier councilmen had considered an ordinance outlawing pinball machines within 300 feet of any school, but it was decided the law would be ineffective, since students would still seek out the machines.



A LOOK into the future is this architect's drawing of the proposed Westmoor school, for which a $1,600,000 bond election will be held October 5. The modern structure will eventually accommodate 1500 students, thus providing an answer to the emergency enrollment situation that now exists at the present Jefferson High school plant. Jefferson is already operating at double capacity, with 1450 students, and district officials foresee an enrollment of 3000 by 1960.

Community Gives Aid To BM Fire Victims

In the face of Monday's disaster in Broadmoor that made eight persons homeless, police and civic organizations joined this week in an effort to aid the stricken family.

Bartender Ray Russo, 39, his wife, Jerry, and their six young children were victims of a fire Monday that completely gutted their home at 720 87th street, doing an estimated $12,000 damage.

All the family's furniture and clothing were consumed in the flash blaze.

Seek Clothing

The Lake Merced Auxiliary, VFW, Broadmoor American Legion Auxiliary, Broadmoor Property Owners association and Broadmoor Police association organized this week in an effort to help the Russos. Any persons having old or unused clothing have been asked to contact any member of the above organizations and pick-up will be made.

Monday's fire was the worst ever to hit the Broadmoor community.

Russo and his children—Nick, three months; Maralene, 17 months; Billy, 3; Danny, 6; Bruce, 8; and Gary, 10—barely got out of the holocaust in time as flames devoured the entire interior of the structure.

The father, still hysterical when Broadmoor police responded at 12:30 a.m., had shuttled his children to safety, and was about to go back after his wife, whom he thought still in the building. The draft caused by opening the garage door turned the smoking home into an inferno.

Russo was screaming that his

That isn't the real story, though. Joe also arranged for a hotel room in Cleveland. That's going some, since Sarto's good friend, Yankee Clipper JOE DI MAGGIO, couldn't even get lodgings.

Fighting again: DICK LIBERTY, president of the OLPH club which is promoting the monthly fistic card here, has arranged an off-the-cuff battle that should prove interesting.

Dick, an attache to the municipal court, says he's going to mix it with FRANK BLUM, Daly City barrister.

I'll take a block of seats right now.

DC Lions will host the Peninsula Council of Lions Monday. Big item on the agenda will be the anouncement that there won't be any Cadillac drawing this year. Story is that some of the county Lions clubs made much too much of a good thing out of the lucrative fund campaign.

OPAL FRANZA, 280 Peoria, used the smallest needles in the world to knit one of the biggest prizes at the state fair.

Her bedspread entry won first prize blue ribbon in the home economics bedroom linen class.

Using a size "O" needle, Mrs. Franza spent 2000 hours, used 10 miles of thread to complete the ecru colored domestic masterpiece.

It's all done in one piece and fair officials said they had never seen anything like it.

Marino, or "Chick" as he is known locally, worked on the hill for Sacramento in the PCL this past season, posting 16 wins.

He's been up with such fast company as the Chicago White Sox and Washington Senators.

Marino will grunt and groan with the laundry and dry cleaning at RALPH TORIGIAN'S plant to keep his arm in shape for next season.

MRS. DOROTHY BOERSTLER (wife of GEORGE BOERSTLER who died in a gas explosion on Woodrow street May 23) and her four sons will leave Monday for "Mooseheart," the "Child City," in Illinois.

George was a former member of the Loyal Order of Moose, San Francisco Lodge No. 29, and the organization will provide a home for his family.

(Continued from Page 1)

providing this complaint service causes a sharp increase in the department's operational costs, you may have to transfer this expense to the customers in the form of a higher water rate."

To ease the situation, councilmen agreed that a separate complaint department should be set up at the local water office.

In other water department business Monday, the mayor inquired about purchase of water meters by the city.

"I think we ought to buy these things by the 1000s and call for bids from all the firms," Verducci stated, commenting on an item in this paper last week that said the city was buying meters from a company that charged $1.40 more per meter than other dealers.

Thrashed Out

Ford said, "We thrashed this thing out a long time ago. Since we've started buying meters from the present firm we haven't had a single complaint about noisy meters. We got nothing but complaints on the other meters."

"What makes these meters different than the others?" the mayor asked. "Can't we state in the bid specifications that we want noiseless meters?"

Ford answered that when the city had purchased meters from companies other than the present firm "half of them went haywire and the company wouldn't stand in back of them. One company sent us 500 and the cylinders were no good on any of them. The meter company didn't stand the loss, we did. We had to fix everyone of them."

It was then suggested by Verducci that all the meter firms be called in to consult with the council.

Find Out Why

"We should find out why we're buying more expensive meters," the mayor emphasized.

Ford said he would invite a veteran San Francisco water department worker to meet with the council and give his views on the various type mechanisms.

The council voted to go on record Monday to hire additional personnel for the water department, in favor of having present help work overtime.

Ford had asked that two men be on duty on Sundays and holidays, instead of one.

The council's opinion was that it would be cheaper to hire two more personnel than to put two of the regular workers on overtime. The council based their decision partly on the fact that granting overtime to certain employees would create a problem of preferential treatment.

Future Projects?

Verducci asked Ford to come up with recommendations on future water projects in eastern Daly City that demanded priority.

The water superintendent was also questioned on the discarding of thousands of gallons of water daily down the sewer lines.

Ford said water pumps should be kept running. "It's cheaper to let the water go than to pay expenses of repairing a pump and well every time it is started up again," he added. The superintendent said when pump is re-activated the well is filled with sand.

"We can't use that water, anyway," Ford pointed out.

ties arrest, Amoroso also faces several bad check charges in San Francisco. Daly City police said prior to Amoroso's release in municipal court September 9, he had also confessed to a local burglary. District attorney's office did not seek to prosecute, however, local police said.

Meanwhile, the two youths picked up with Amoroso August 22 at the Daly City tavern, James Lorenzana, 17, and Jimmy Acevez, 20, pled guilty to possession and transportation of narcotics before San Mateo county Superior Judge Edmund Scott yesterday (Thursday) and the case was continued to October 4, at which time the pair will be sentenced, following report from the probation office.

No bail was set for Amoroso yesterday and he is being held at San Francisco city jail.

at least 1000 other pupils in the district who would also have to be given transportation. They also pointed out that kindergarten children in the district had been walking to school for years, without complaint from parents.

A compromise solution suggested by Trustee Mike Callan that the children be transferred to R. S. Thornton school was turned down by the group.

Claiming that this would overload first grade classes at the school, Schieber said, "We don't think this is a compromise if it's gained at the expense of somebody else's children."

wife was inside.

Cop Enters House

Believing Mrs. Russo was trapped in the inferno, Sgt. Don Tannehill entered the building to search for her, but could find no trace of the woman.

A fund-raising drive for the Russo family took form today, as dozens of people phoned Broadmoor police to offer financial donations to the fire victims.

The following committee has been formed to conduct the fund campaign: Roy Krueger, Palmiro Nolli, Ray Savage, Dorothy Bolander and Vi Murphy.

Contributions may be sent to Savage at the Broadmoor police station or to Mrs. Murphy.

Dr. Louis A. O'Gara, brother of state senator Gerald O'Gara, who had just made a house call across the street, rushed over to the scene to aid the incoherent father and children. He took them to his car and quieted the family, then joined Tannehill inside the building to look for Mrs. Russo.

After the men had emerged from the fire, Russo recalled that his wife had gone out to a show for the evening with friends.

She came home later, unaware of the happening, to find her home, furnishings and clothing destroyed.

Boy Smells Smoke

Russo's ten-year-old boy, Gary, was partly responsible for saving his and his family's lives. Gary awoke after smelling smoke shortly after midnight. He aroused his dad, who gathered up the other children and rushed them out of the home.

Shortly after the father and five children reached the safety of the front yard, flames leaped to the walls, gutting the entire inside of the residence.

A total of 30 firemen, eight from Daly City, 22 from Colma department, responded to the call and battled the flames more than half an hour.

Cause of the blaze was not determined although firemen noted one burner on the kitchen range was turned on.

No injuries were reported.

Homes Endangered

Homes adjacent to the Russo residence were in immediate danger of the flames, but quick action by homeowners in dousing the walls with water minimized the threat.

While Russo will not sustain the estimated damage to the home of $12,000, since the place was insured, he had no coverage on clothing and furnishings, it was learned.

The Russos had only lived in the house one month. They are presently staying with friends in South San Francisco.

Stop-Gap Measures Asked To Avoid Winter Flooding

Emergency measures to avoid flooding of homes in the Hillside-Market street area were called for by the city council Monday night.

Mayor Joseph Verducci asked the city engineer, Edwin Smith, if there wasn't something that could be done before the rainy season to avert flooding.

A $65,000 drainage project, to be paid for by homeowners in the area concerned, is in the planning stage but won't be in operation in time for this winter's rains.

"No plans of any kind have been made as yet for drainage facilities this winter," Smith said.

However, the engineer said it was a very good idea and suggested that preparations be made now to avoid recurrences of basement and street flooding that took place last year.

He said that storm drains could be cleaned out and measures taken by the city now to equalize the flow of water so that no one area would be inundated.

SCHOOL LEAGUE RESUMES MEETS NEXT WEDNESDAY

The League for Better Schools will take up where it left off last spring when they meet for the first time Wednesday in the city hall, beginning at 8 p.m.

The session will be open to the general public and representatives of all area organizations will be on hand.

Organizations who do not have delegates to represent them may obtain further information from the president of the League, Mrs. Jack D. White, JU. 4-9511.

Junior Chamber Is Proposed For City

A Daly City Junior Chamber of Commerce was proposed to the city council Monday night in a letter from a representative of the San Francisco Junior Chamber.

The council agreed that the proposal should be turned over to the Chamber of Commerce to determine if there is a need for such an organization here.

NO BUILDING 'TIL ANNEXED, CALLAN TOLD

City councilmen Monday night told builder Thomas Callan senior that they would not approve any work done on his Abbey Homestead property until it was officially annexed to the city.

Second reading of an ordinance which anexes Callan's Abbey area was held Monday, and the statute will go into effect on October 20.

Callan appeared before the council to ask if he might proceed with site development work as long as the city engineer and building inspector were kept informed of his activities.

"We can't legally have anything to do with that property until 30 days from now," said Mayor Joseph Verducci.

The mayor explained that Callan's property is now under jurisdiction of the county.

"Even if the county approves the work we may turn around in 30 days and make you change the development to our specifications," Verducci continued.

Approval of second reading on the ordinance Monday was made with the stipulation that all work on the Abbey Homestead area must cease at the end of the 30 days, pending city approval of plans and specifications.

coins during her employment with the Strauchs.

The woman then led police Lt. Beecher and Mrs. Guisti through the kitchen to the rear of the home and into the garage, where she reached in an opening and drew out a paper bag with a large number of old coins she said she had taken earlier that day.

Sold for $260

About $1800 worth of the coins were sold to a Gough street firm for $260, Miss Hinds said.

Police took the woman to the collector Monday, where he verified most of her story. All of the coins but about $700 worth were recovered.

According to the maid, she disposed of all of them at the Gough street shop. The numismatic firm, however, reported all but $700 worth in their possession.

The woman, who lives at 378 Oak street, said she needed the money to pay off her household expenses.

NO GOOD WILL SOLD HERE

The high mug-a-mugs in the PG&E have, among other things, done a first rate job of bungling public relations, one of their most important products, with the City of Daly City.

Two years ago when they submitted plans for a mammoth substation here, they showed an architect's design of a lavish landscaping program which would be incorporated at the plant.

As time marched on, the electric firm officials kept making stock announcements that, "Work on the landscaping will start next month."

Three months ago, the utility had the audacity to reveal that contract for landscaping had been let, and that the work would be completed within two months.

We learn this week that negotiations have just recently been completed for contracting the work.

The PG&E may sell a lot of gas and electricity, but they haven't sold themselves to the people of Daly City.

CHEERS FOR SUMMER RECREATION

The recently completed summer recreation program in Daly City has been received with deserved praise.

Attendance at the local parks and community center hit an all-time high, mainly due to the variety and interest of the activities.

This year saw the inauguration of three baseball leagues, various arts and crafts programs, movies and other recreational activities that provided plenty of spare-time thrills and entertainment for thousands of Daly City youngsters.

Operating on a limited budget, the recreation commission and department executives and workers have provided a program that, in the final analysis, will save the city countless dollars by preventing juvenile delinquency and helping to build good citizens.

We have heard the comment that this year's summer program was best in the city's history, and we're inclined to agree with those sentiments.

LION TALES

By Joseph Belli Jr.

The annual Dance to be held on Saturday night, October 16, is coming along as scheduled. Music for this dance will be by Del Courtney and his ten piece orchestra and also a vocalist. The main prize for the evening will be a one hundred dollar war bond and the winner does not have to be present. However, there will also be four Sunbeam Deep Fryers given away and the winners for these prizes MUST be present. The souvenir booklet under the chairmanship of Lions Ira Neville and Nate Temkin is half completed and part of this is already gone to press. A highway sign extending across Mission street in front of the Memorial Building is being made. Quarter cards advertising the dance will be on display at various business houses commencing this week. Nearly two thousand tickets are in circulation and it is expected that nearly three thousand tickets will be sold for this big event.

Building For Tomorrow

Let us constantly keep in mind that Lionism is like an edifice built on bedrock, strong and enduring. It is great today, but it has even a greater future. It has an increasing vital role to play in tomorrow's community, national and international affairs.

We therefore look ahead toward new horizons and keep building for that tomorrow. That means that we are ever on the alert to the necessity of bringing into the club new members, new talents and abilities, new ideas, perhaps even new methods to increase the administration and functional efficiency of our organization.

For a Lion to be successful, he should learn to bear the unbearable and dispense with the indispensable.

The annual Lions Barbecue will be held on Sunday, October 3, at the South San Francisco Recreational Park on Orange avenue. Chairmen for this event are Lions Vince Murphy and Elton McGraw. Tickets for this event will sell for two dollars and fifty cents a person. The meal will consist of spare ribs as an appetizer and the main dinner being served about 5 p.m. will consist of New York steaks, corn on the cob, chili, garlic french bread, etc. This event is given for the members and wives of the club and their friends.

Rotary Report

By Norris Gregory

The Daly City Rotary club met recently at Rickey's Red Chimney, Stonestown. Guest speaker was Joe Verducci, mayor of Daly City and head football coach at San Francisco State college. Verducci spoke about the fine training football affords and the advantages of football.

He also told about his many experiences as coach of St. Mary's college and San Francisco State college.

Julian Cohn spoke about his trip and related interesting bits of information he had gathered from visiting the Rotary club in Seattle, Wash.

Bob Watson visited the Rotary club at Hayward, Calif., while on his vacation in Trinity county and enjoyed both the visit and the fine fishing in that area.

The president, Jack Kendree, welcomed the six guests from the South San Francisco Rotary club.

Speaker last week was Dr. Gibson, professor of European history at San Francisco State college. Dr. Gibson, having recently returned from an extensive tour of Europe, gave an interesting and informative talk on "A Professor's Experience in Europe."

Today (Wednesday) in lieu of a speaker movies will be shown, courtesy of the PG&E.

My Mad World

By Leonore Brewer

Due to innumerable requests, and in consideration of the fact that this is their first drive, it has been decided that memberships can still be obtained in the Vista Grande Community Concert association through Saturday, September 25. I would have liked to have asked each one of you personally to become a member, but of course that was a physical impossibility.

Information can still be obtained by calling PLaza 5-1352 or PLaza 5-2847.

Ridgely Cummings Reports

EXCURSION TO THE ZOO

I am writing this the day after it happened because otherwise I might get scooped. That's the scooped. That's the danger in hobnobbing with another writer—he's apt to swipe your material.

This other writer I will call Thermistocles, because he has a passion for anonymity and might sue if I used his correct name.

Thermistocles, my juvenile spies inform me, is currently engaged in writing an epic titled "Captain Cummings In Command." He sees our expeditions to the zoological gardens through entirely different eyes than mine. And if his piece is as libelous as I expect, I will drag him out to Griffith Park and tie him up next to the baboons, which are most unesthetic creatures.

It's true I had the kids lined up and saluting. But that doesn't make me a militarist, does it?

Kids Are Dictators

Something of a pacifist by temperament, I recognize that children are all potential little dictators with a strong streak of militarism in them. All I did was exploit this in the interest of peace, quiet, and orderly advancement up the animals.

Even with the marching, it took up two separate Sundays to get to the Los Angeles city zoo.

Reasons for the delay were multiple. First the zoo is located on a mountaintop in a remote and almost inaccessible section of the park. Second the park is quite a few square miles in extent, some 4,253 acres, to be exact. You'd be surprised the trouble I had finding out how many acres to a square mile. The answer is 640. Third there are practically no signs in Griffith Park to indicate the route to the various attractions. And fourth, I took advice from an expert on how to get there.

It's as simple as following your nose, said the expert. All you do is drive out Vermont avenue to the observatory, turn left when you get to the peak and take a short cut over the mountains.

We set out in two well-filled cars, me at the wheel of the first and Thermistocles following in the second since he is notorious for his complete absence of a sense of direction.

Critical Follower

Although Thermo can't take the lead, he makes a highly critical follower, sticking his head out the window and yelling challenges, questioning my judgment. He had plenty of help. In addition to our usual load of three women and four children, we were augmented by a brace of neighborhood kids who pester me all week for the privilege of washing and polishing my car and claim their just reward on Sundays.

On the first zoo expedition we got lost up in the mountains, the kids were scared out of a week's growth by the precipitous curves, and to top things off, my hydraulic brakes ran out of fluid. I had to pump the pedal like mad and use the emergency to slow down as we made the descent. By the time I'd found a filling station and bought some brake fluid, it was 5 p.m. and too late to get in the gates.

Naturally I had to swear by all that's holy to make up for this the following weekend.

His Boy Irked

During the week between trips I chanced to talk with Thermo and learned from him that one of the children, a 13-year-old boy who tends to be unduly dramatic, had become extremely irked when I got lost. He was in the second car and Thermo heard him muttering maledictions on me. Finally he said:

"It would serve Ridgely right if his car went over the cliff."

To this the boy's mother replied, as quoted by Thermo: "Hush son, you mustn't say things like that. Remember there are others in the car besides Ridgely."

Such popularity frightens me.

To protect myself against the eye and the lack of signs, I bought a map of the city and laid out a careful course that could take us to the menagerie.

On the second Sunday the picnic lunch was packed, the children had collected those implements of destruction considered essential to a Sunday outing, and we were just about to take off when Thermo remarked that a mutual friend of ours had a broken jaw. He was vague about how she got it so naturally I had to phone her.

A Vile Humor

This phone call delayed us all of five minutes and put everybody except me in a vile humor. The younger children began crying and the older ones used words not in Dr. Spock's lexicon for adolescents. If I had more space I'd give the details of my friend's unhinged jaw, for it is a fascinating tale of over-large gold inlays and law suits against dentists. But I guess I'll have to skip it for the time being.

When I got off the phone the kids were raising havoc. To restore order I drew myself erect and bellowed at my loudest, "Attenshut!"

The children subsided in amazement. Before they could recover I mustered them in line according to height, made each of them an official, ranging from lieutenant down to private first class for the infant, and marched them out to the cars, promising the best soldiers the best window seats and threatening the middle seats surrounded by thermos jugs for all recalcitrants.

Charged Elephants

After a few false turns we got to the zoo, unloaded, and charged upon the unsuspecting elephants and tigers. From time to time when our party began to straggle too much as we climbed up the hills past the mangy-looking and uncomfortable animals, I would resume my role of drill sergeant and fall them in again. The cages seemed small and poorly designed and Thermo kept up a running line of chatter about how vastly superior were the zoos in San Diego and San Francisco.

Late in the afternoon, after we'd peered in all the cages, commiserated with the beasts, commented on the fine display of sparrows which Los Angeles had accumulated, and eaten all the lunch, another problem arose. This was the merry-go-round. Since I was in my usual financial condition, a little light in the pocketbook, I pretended not to hear the discussion. Thermo on the contrary was loaded and seemed willing to treat the kids. But he made the mistake of trying to line them up as I had done. They promptly mutinied.

Some Mumbley-Peg

Casually I took out a pocket knife and cut a circle in the green turf where we had eaten lunch. Completely ignoring the kids, I began playing mumbley-peg, holding the knife to my forehead, ears, nose and so forth and flipping it into the earth.

Within minutes I had seduced all but the very youngest away from the noisy attractions of the amusement park and was teaching them the neglected and fascinating are of sticking a penknife into the grass from odd positions. Even Thermo rushed back with the toddlers from the merry-go-round to get in the game.

I don't know what prompted Thermo to conceive the idea of writing a satire about our excursion. Unless he wants revenge because he lost at mumbley-peg. But if he says I cheated and failed to touch my ears, it just ain't so.

NORTH COUNTY DEMOS JOIN IN DINNER-RALLY

Honor Sen. Kefauver And Taggart At Saturday Meet

North County Democrats will join with others throughout the county Saturday night for the only evening appearance in the Bay Area of Senator Estes Kefauver at a dinner and rally jointly honoring Dr. Harold F. Taggart, Democratic candidate for congressman of San Mateo county.

The Kefauver-Taggart dinner will begin at 6 p.m. at Bob's on Broadway in Burlingame with the rally following in the auditorium of San Mateo high school at 8:30 p.m. Tickets for the dinner at $15 for one and $25 per couple can be obtained from James McKay, Broadmoor; Alice Clary and Leo Ryan in South San Francisco or from Democratic headquarters, 128 North B street, San Mateo.

The rally where 1700 persons can be seated will cost $1.50 each and will be free to those who purchase dinner tickets.

Attorney General Edmund G. (Pat) Brown and his chief criminal deputy, Harold G. Robinson of Burlingame, will also speak at the rally and dinner.

Younger In Two-Day Visit In Daly City Area

Congressman J. Arthur Younger will be in the Westlake-Daly City area on Monday and Tuesday, local workers announced today.

There will be a morning meeting at 10:15 o'clock at the home of Mr. and Mrs. Lyal Ingersoll, 439 Crocker avenue, Daly City.

Mrs. Doris Martini, 172 Westbrook, Westlake, will be hostess at a meeting in her home at 8 p.m. Tuesday evening.

All parties interested in meeting Younger have been invited to attend.

FIVE CANDIDATES FOR C OF C BOARD

Names of seven Daly City Chamber of Commerce have been submitted by the nomination committee as candidates for five positions on the organization's board of directors.

Election of the five board members will take place Thursday, Oct. 21.

Candidates are: Tom Gilbert, Stanford Hannah, Dan Harris, Jack Kendree, William J. Sweeney Jr., H. Z. Weibel and Joe Rohl.

Jeff Hi Cost Per Student Lowest In Mateo County

Jefferson Union High school district, now proposing a $1,600,000 bond issue for construction of Westmoor High school, had the lowest cost per student per current expenditures in San Mateo county for the school year 1953-54.

Jefferson's cost per student was $378.64, as compared to $404 the previous year when the school was the second lowest among the high schools of the county, said superintendent Stanford Hannah.

"One cannot take one year as an accurate indication," stated Hannah. "Some costs will vary from year to year. For example, this year we have done an unusual amount of maintenance work and the cost will be reflected at the close of the year."

"However," concluded Hannah, "over a period of years Jefferson has operated on a comparatively low cost per student. The board of trustees is economy minded and we think the taxpayers appreciate that fact."

The bond issue for Westmoor High won't affect actual operating expenses, since the money will be devoted only to building, with the loan redeemed over a period of years, at a cost of about $4 to $5 annually per homeowner.

PRIVATE RAY IS SCHEDULED TO FINISH "BOOT CAMP" WORK

SAN DIEGO, Calif. — Marine Private Donald I. Ray, son of Mr. and Mrs. John D. Stegeman of 32 Werner avenue, Daly City, Calif., is scheduled to complete 10 weeks of recruit training in September at the Marine Corps Depot in San Diego.

Upon graduating, the new Leathernecks will be transferred to Camp Pendleton, Calif., for further combat training or be assigned to one of the many Marine Corps schools.

NEW MOTORCYCLE FAILS TO MAKE TURN IN TRYOUT

A 23-year-old youth who just bought himself a new motorcycle found out Monday that it's sometimes not easy to keep the motorized bikes on the road.

Kenneth David Rosander of 211 Broad street, and his girl friend, Elizabeth Savers, 20, 1017 Chenery street, both of San Francisco, were found lying in a roadway off the coast highway by officer Robert Crooker at 2:20 a.m. Monday morning.

Crooker responded to the scene after hearing the girl's screams.

According to Rosander, he had just bought the motorcycle and wanter to try it out. He picked up his girl, started down the coast highway. He got about 500 feet down the highway, south of Skyline boulevard, when the motorcycle failed to make the turn, throwing him and the girl off on the side of the road.

Rosander was treated at Junipero Serra hospital for cuts about the face and hands. The girl refused treatment.

St. Brigid's Church in San Francisco is constructed of slabs of hewn granite that served as pedestrian crossings in the days of cobblestone streets.

Trail Riders of the Wilderness, organized in 1933 by the American Forestry Association, conducts summer expeditions to Western wilderness areas.

PTA Extends Thanks For Kindnesses

To the Editor and Staff:

As the fall term of school gets underway, and we find ourselves snowed in by hundreds of activities, it is well to take a few moments and "count our blessings" for past favors from our newspaper, THE RECORD.

To steal a phrase from Hollywood, all of you have been "supercolossal."

We extend our sincere thanks for the many kindnesses shown to us in the past, and to express the hope that this pleasant association continued throughout the year.

One Hurt Sunday In Alemany Wreck

A three-car smash-up on Alemany boulevard just off Sheffield drive in Westlake Sunday resulted in minor injuries to a 40-year-old San Francisco man.

The accident occurred at 5:50 p.m. Frank Joseph Holdener, 50, of 536 Rockdale drive, San Francisco, was travelling east on Alemany. As he approached the stop signals he noticed a line of cars backed up and he attempted to stop, but missed the brake pedal with his foot.

His auto hit the back end of one driven by Jerome Joseph Cunningham, 40, of 117 28th street, San Francisco.

Cunningham's auto, in turn, struck the back of a car driven by Robert Sullivan, 17, 320 Winfield, San Francisco.

Cunningham was taken to Junipero Serra hospital, where he was treated for cuts and bruises about the face.

Holdener was cited by police for lack of change of address on his driver's license.

ALL PROGRAMS SUBJECT TO CHANGE ● NOT NOT RESPONSIBLE FOR LAST MINUTE SCHEDULING

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

One more week and September with its nice weather will be over. This Sunday being the last Sunday in September, we turn the clocks back one hour and Daylight Saving time is no more until next year. That will really make it seem like summer is over. No more out to play after dinner for the children and of course the TV will come into its own again.

Had the most welcome company today and was I glad to see her. MRS. CATHERINE "BABE" DUFFY, formerly of Los Banos avenue but now of San Mateo came to spend the day. She has been very ill recently but you wouldn't know it to look at her now. She looks fine and feels the same. She says to say hello to all the folks that she didn't have time to stop by and see.

Items of Interest

There was certainly a lot of celebrating among members of the MILLER family of Los Olivos avenue last week. First of all to start things off little BOBBY MILLER had his first birthday, then mother SHIRLEY had reached the advanced age of twenty years on the 18th, and finally BOB and SHIRLEY celebrated their second wedding aniversary on the 2st. As you can see congratulations are in order all around and they are very heartily extended the Millers from all the folks.

Returning home from a grand and exciting vacation of two weeks at Clear Lake was one of the most popular gals at Jeff High, MISS CAROL GLOVER, who is the student body treasurer for this semester.

Sympathies of all the friends and neighbors of many years are extended this week to the family of MRS. VIRGINIA ARLUCK on the sudden passing of her husband, MORRIS. Besides his wife he will be missed by his daughter, DONNA. Services were held last Sunday from the Sinai Mortuary and Interment was at Salem Memorial Park.

Daly City can be rightfully proud of one of it's well known merchants, CARL KETTLER of the RELISH BAKERY. Carl exhibited his vanilla ice cream at the California State Fair held in Sacramento recently and walked away with honors—a silver medal. His ice cream had the lowest bacteria count of any ice cream submitted at the fair. Our Baker not only makes the best ice cream but his fine cakes and pastries have been displayed at many events during the past years. Congratulations, Carl, for your grand achievement.

All the neighbors and friends of DICK AMES of Jeff High are glad to hear that he is now home from the hospital after his bout with polio. Of course it will be awhile before he resumes all his activities but the nicest part is that he is home.

More of the neighbors are returning home from belated vacations. MRS. SANFORD VICKERS and daughter JERALIN arrived home after spending two glorious weeks at Mt. Shasta. They really had a grand time doing all the things they intended to do and more besides.

Little PAMELA CAMBRIDGE of Abbott street has returned home from the hospital. After giving her parents a scare Pam was there for awhile for observation but all turned out fine and so did she.

That grand gang of folks from Abbott street, THE FRIENDLY NEIGHBORS, are all set with plans for a big Halloween party. Host and hostess will be MR. and MRS. JOHN ORNELLUS and it will be that you bring something and I'll bring something else type of party. Costumes, of course, and loads of fun for all. Each time this bunch has a get together they really have a good time and this should be one of the best.

Servicemen

Rumor has it that my friend CPL. BILL BRADT of the U. S. Marines will be home with us soon. This time it will be as a civilian and Bill is looking forward to it as what young man who has served his country in far off places doesn't? We'll all be waiting to hear or see you Bill.

Any day now my phone should ring or my doorbell and there will be a tall, lanky, freckled young man in the uniform of the U. S. Air Forces. EDWIN "Mac" McDONNELL, who has spent the last year on tiny Johnstone Island in the South Pacific, is on his way home and is going to stop by. It will be so good to see him and a few of the others who are due home about the same time.

Heard from A 2/c ROBERT J. MARTIN of Frankfort, Germany, this week. He has only a few more months to serve overseas and is also looking forward to getting back home again. Whether he brings his bride remains to be seen as he may have to come over first and then send for her. That is up to Uncle Sam.

As the days go by the boys leave and then they come back. Some of them come back not quite feeling their best and instead of going to their homes are sent to the various hospitals in this area. Many of them are far away from home and very homesick. The usual bunch of gals still remember them but from what I hear the interest in them has fallen off since the end of the Korean War. They like books or magazines of any kind and if any of the folks have any they would like to get rid of all they have to do is phone me at PL. 5-6482 and I'll tell them whom to get in touch with. These folks will be glad not only to take them over but to stop by your house and pick them up.

New and Views

A very beautiful wedding was held recently with MISS DONNA MALONEY becoming the bride of MR. DICK SMITH. The ceremony was held at St. Patrick's Church at 6 p.m. and was attended by a huge crowd of relatives and friends. The bride wore the usual white wedding attire of white nylon net and carried her First Communion prayer book and orchids. The maid of honor was MISS SIDNEY ANN WARREN who wore a ballerina length dress of blue nylon net and carried a heart of pink carnations with matching headband. Best man duties were ably performed by MR. AL SMITH and of course the bride was given in marriage by her father MR. HARRY MALONEY. The bride dressed for the wedding at the home of her aunt, MRS. PAT ARNAUDO and after the ceremony the immediate family returned to the Arnaudo home for a buffet supper before adjourning to the reception which was held at the Amazon Hall where over two hundred relatives and friends gathered to wish the young couple well. They left for a week's honeymoon somewhere in the northern part of the State after which they will reside in San Francisco.

This comes to us from the mother of our little friend GINGER WALTON who is doing very nicely at the moment. I am printing it as it seems to fit all of us at one time or another in our lives.

Oh, why do I come running to
You, Dear God,
When I am burdened with care?
But when all is right in my
little world
I sometimes forget You are
there.
Teach me to love You what'er
befalls—
In sickness, in health or despair.
For deep down inside me I know,
Dear God,
That Your love reaches everywhere.

(courtesy of Mrs. Molly Walton)

Get out the scoreboard! A new season of bowling will open soon for the EAGLE'S AUXILIARY NO. 1848. The past two years the team has really gone out and beat all comers and come home with the trophy. The bowling team members are MESDAMES DONNA ALMQUIST, ALBERTA DIEBEL, MILDRED KALINEN, AGNES MALTZ, and BRITTA MORRIS. All the luck in the coming season is wished the gals from all the folks.

Best wishes of the folks go to MR. CLYDE LYNCH of Mission street who at the moment is seriously ill in St. Mary's Hospital. Take it easy, Clyde, we are all pulling for you and hope to see you back with us soon.

Friends of MADELINE FORD are very glad to hear that she is feeling much better after spending a week in St. Joseph's Hospital. Madeline wishes to express her thanks and appreciation for all the lovely cards and flowers that she received. They really do help a lot.

A birthday luncheon was given for MRS. DOLORES WARREN by MRS. PAT ARNAUDO of Willits street. Among the guests who enjoyed the day as well as the tasty luncheon were MESDAMES MARGE LYNCH, DOLLY LEWKOWITZ, CLARA SCALLY, FREDA PEDERSEN, MILDRED DUNN, FRANCES NENSTEIL, HARRIET LIPSTACK, and EVE LANE. With that many gals all in one room at the same time when did they find time to eat?

There are many ways of keeping one's children happy but this one really tops them all. MRS. AGNES MALTZ found a successful way to do it—she went out and bought her children a horse of their own. Where do you keep it, Agnes?

Well, folks, that just about does it for this week. There will be more news of all the folks next week so look for it. If you have any news just phone me at PL. 5-6482 and I'll be most happy to hear from you. Until next week, then, 'bye now.

BIRTHDAY FETE: Margaret Pauline Brown (seated), one of the area's leading citizens, was feted on the occasion of her 80th birthday at a function held recently at the home of Mr. and Mrs. James Fairbanks, 27 Garden Lane, Broadmoor. Mrs. Fairbanks (center) was hostess, while Mrs. Rex Spruiell (right), president of the Women's association of the Broadmoor Community Presbyterian church, represented her group. Mrs. Brown is known throughout the area for her years of service in community and charitable projects.

Visiting Nurses To Meet At DC Center

The Visiting Nursing association of San Mateo county has scheduled a north county membership meeting for 10:30 a.m., October 25, at the War Memorial community center in Daly City.

The purpose of the meeting is to acquaint people with the services of the VNA. Representatives from local organizations will attend and report back to their respective groups.

Some representatives who plan to participate are Mrs. Sanford Vickers of the PTA of Hillside school in Daly City, Mrs. V. Murphy of James E. Snell PTA in Colma, Mrs. Leslie C. White, a member of the American Association of University Women, Mrs. Glenn Brockway of the Women's City Cub of San Bruno, and Mrs. L. D. McLeod, president of the South San Francisco Women's club.

Any organization president who would like to send a representative may call one of the following local chairmen:

Millbrae and Lomita Park—Mrs. Harold Beeson, JU. 8-7915; Daly City and Colma—Mrs. Sanford Vickers, PL. 5-3590; South San Francisco — Mrs. L. D. McLeod, JU. 8-7130; San Bruno — Mrs. Mario Lama, JU. 8-9181; Brisbane —Mrs. Elizabeth Duncan, JU. 5-1949; Bayshore—Mrs. Thomas McNamara, JU. 5-0365.

MAIL OVERSEAS PARCELS BY NOV. 15,

Christmas mailing of parcels to servicemen overseas should be mailed between October 15 and November 15, Postmaster Vincent P. Murphy of Daly City announced today.

Mail for members of the Armed Forces overseas will be delivered without fail before Christmas if the November 15 deadline is met.

Ticket Sales High For Lions Dance

Advanced ticket sales for the Daly City-Colma Lions Club annual dance were reported good this week by Roy Arneson, dance committee chairman.

One reason for the dance, Arneson stated, is to acquaint new residents of our community with the activities of the Lions club and also a general get-together.

The dance will be held October 16 at the community center from 9 p.m. to 1 a.m. Del Courtney and his ten piece band, along with a vocalist will provide the entertainment.

Tickets are on sale at $1 per person. Many awards have been procured for this event.

The Lions agreed this week to hire union bartenders to staff the bar. Ray Savage heads the refreshment committee.

Committee members working on the sale of space in the souvenir booklet to local merchants are Joseph Belli, Jr., Roy Arneson, Charles Hilderbrand, Nate Temkin and Mel Battye.

Question Of Doggie In Window Settled

Admittedly, it's corny, but what news writer could avoid titling this story, "How Much Is That Doggie In The Window?"

Sunday evening passers-by at the Westlake Pet Shop, 30 Park Plaza, noticed through the window a dog trapped in the door of his cage. They summoned local police, who in turn called local firemen.

Three fire laddies showed up, along with a special Westlake cop, and Daly City Sgt. August Benassini, forced the door of the establishment open and cut the wires of the cage, releasing the dog.

The pooch, a three-month-old German short-haired pointer, was reported in good shape after his dramatic rescue.

Incidentally, that doggie in the window is worth about $75.

modern electric living began with this lamp

The date was October 21, 1879. In his laboratory young Thomas Edison stood watching a filament glow in a glass bulb. The ingredients of his crude experimental lamp were a bit of carbonized cotton thread bent in horseshoe form, and placed inside the sealed glass bulb. And it was this—the first successful incandescent lamp—that brought electricity out of the laboratory, and into the home.

In the same year, 1879, San Francisco was the first city in the world where anyone could buy electricity. P.G. and E. electric business dates from this tiny plant pictured above. Another P. G. and E. ancestor company had introduced the first gas lights, 25 years earlier.

Today, electricity is an everyday part of our lives. And good lighting costs so little. Thanks to more efficient light bulbs and lower cost of electricity, you now get 17 times as much light for your money as people did when the incandescent lamp was first used in California.

Hale-Hailer United At St. Johns Church

Dianne Sue Hale and Thomas Albert Hailer exchanged marriage vows at the St. John's Presbyterian church in San Francisco on Sunday, September 19, at 6:30 p.m.

The bride is the daughter of Mr. and Mrs. E. G. Hale, 599 Crocker avenue of Daly City. The groom's parents, Mr. and Mrs. A. Hailer, reside at 25 Muirwood drive, Daly City.

Escorted to the altar by her father, the bride wore a white satin gown with a V-shaped neck from the shoulders trimmed with white lace, long sleeves with bride point cuffs and a short train.

The maid of honor, Kathleen Johnston, Lomita Park, was attired in an aqua ballerina length crystallette gown, while the bridesmaids, Barbara Delucchi, Marge Duncan and Anna Brancato, wore yellow crystallete dresses with matching shoes.

Brother of the groom, Bob Hailer, was best man, and Frank Ghilarducci, Tom Laramie and Duane Hale seated the guests.

The new Mrs. Hailer attended General Pershing and Crocker Elementary schools, Jefferson Union High school and San Mateo Junior college. She is a secretary for George Luleders and Co.

The groom, who was a member of the Coast Guard, plans to work for Bethlehem Steel Co.

Following a honeymoon in Yosemite, the newly-weds will live in San Francisco.

Village Notes

By Martha Pinney

Hi there! Things are happening in Broadmoor so let us hurry on with our notes.

WASHINGTON . . . Speaking of things happening, they are really happening in the MacIntosh family. First, little Stevie and Janice had the mumps, then their mother, Helen, got them. Now . . . their father, Jim, is in bed with the mumps. Seriously, we hope Mr. MacIntosh will be feeling better right away.

Hear tell Pamila Alexander is also down with the mumps.

FOOTHILL . . . Mr. and Mrs. Trevor Jones and children, Lynn and Ginnie, took Ruth's parents, Mr. and Mrs. Keller, to visit Yosemite for three days. Mr. and Mrs. Keller have been visiting with the Jones family.

Mr. and Mrs. Russell Chiosso and children, Phyllis and Elaine, Mr. and Mrs. F. D. Creedon and Dennis and Mr. and Mrs. Arnold Bennett and Frankie picnicked at Saratoga on Sunday.

The Lands have returned from an extended trip to the east where they visited with her and his family and, incidentally, bought a new car to return in.

SWEETWOOD . . . Mr. Ernst Brown is home after a two-day check up in the hospital last week.

Mr. Bill Amans is in serious condition at the Sequoia hospital in Redwood City but we understand he is one the road to recovery. He was injured while participating in Midget Auto Racing. All our best wishes for his early recovery.

GARDEN VILLAGE . . . Lt. Col. and Mrs. George Irvine gave a buffet supper last Saturday in honor of Col. John G. Howard, who is retiring from military service, and Mrs. Howard. There were 21 guests present at this occasion.

Sorry to hear that the flu bug has bitten Mrs. Corrine Brice. Hope she will be up to par soon.

Happy birthday to Bill Irvine who was 8 years old on September 16th.

MANILLA . . . Mr. and Mrs. Sam Roth have returned from a trip to Los Vegas.

MADDOX . . . Mrs. Ian MacDougall of Arcadia, Calif., is the houseguest of Mr. and Mrs. R. G. Meade.

87TH STREET . . . Mr. and Mrs. Ed Craig spent the weekend at Salt Point fishing. Hear they had good luck, too.

Mrs. Sydney Hess was hostess for the Ruth Circle last Thursday.

MIDWAY . . . We wish a speedy recovery to Mrs. Virginia Abbott who is ill in St. Joseph's Hospital.

Little Marolyn Mattson celebrated her 4th birthday last Friday with a party. Those attending were Linda Schmidt, Terry Travinsky, Anna Maria Gigli, Tommy Crofton, Billy Abbott, Roxanne Ray, Becky Locke, Dennis and Brian Mattson and Nancy Swoverland.

So long for now.

CONCERT GROUP EXTENDS DRIVE ON MEMBERSHIP

Numerous Requests Entered To Continue Campaign One Week

The deadline for new memberships in the Vista Grande Community Concert association was extended to September 25 by the Board of Directors of the association at a meeting held Saturday evening at the home of President Thomas E. Brewer.

The association took the action after numerous requests from prospective members who expressed a desire to join but with the press of school openings, etc., were unable to do so last week. Under the association by-laws the membership campaign would have ended on Saturday, September 18, and the association would have selected the artists to be presented here at that time. But inasmuch as this is new to the community they felt the extension would be well-justified.

Immediate results of last weeks campaign were not know as many workers had not turned in their campaign kits as a result of the extension, but present indications are that it was quite successful and members who have joined can look forward to a season of fine concerts.

Membership dues in the association is $6 a year for adults, $3 for students. Your membership will entitle you to attend all concerts presented by the association in Daly City. Your membership will guarantee you three concerts per season, and as many more as the local association is able to finance through an enlarged membership.

Campaign headquarters have been moved to the home of Treasurer Jay F. Irick, 55 Lake Vista, Westlake. Anyone interested in joining the association may call any of these numbers and a representative will call and receive your membership: PL. 5-1352, PL. 5-2847, PL. 5-3590, PL. 5-1235 or PL. 5-4433.

The executive committee will meet at the close of the campaign on Saturday to select the artists and an announcement of their decisions will be made at that time.

SLATE OPEN HOUSE IN BROADMOOR FOR CONG. J. A. YOUNGER

Open house reception for Congresman J. Arthur Younger will be held Monday at the home of Maryann Read, 828 Beechwood drive, Broadmoor.

All residents of this area have been invited to attend.

The open house will begin at 8 p.m.

Motorists Are Quiet In North County Area

North county motorists registered few violations recently, the state department of motor vehicles reports.

Only action levied against area drivers were revocation of the licenses of George Maurice Tiaffay, 844 87th street, Broadmoor, and Jens Peder Marinus Pedersen. 551 Niantic avenue.

DALY CITY LEGION AUXILIARY WANTS MORE MEMBERS

Membership is the first concern for the year's work in the American Legion Auxiliary. The Daly City Unit is putting forth every effort to complete it's enrollment as soon as possible. Anyone interested in joining or renewing their membership may contact Mrs. Marie Miller at Warshawski's Store or Mrs. Rose Giorni at 35 Como street.

The rehabilitation work for the hospitalized veterans must be completed before November, the Auxiliary said. The committee, Mrs. Margaret Rector, Mrs. Margaret Kenney and Mrs. Grace Hill, are busy shopping for the "Daddy Gifts." These gifts, donated by the Units to the hospitals, are selected by the patients and sent to their families at home. Much care is used in choosing these gifts, according to the Auxiliary.

The Unit will hold a Turkey Whist Wednesday evening, November 10th, at the Masonic Temple at 8:30 p.m. An interesting evening is assured by the auxiliary.

SHERIDAN SEWING MEET WEDNESDAY

On Wednesday the Sheridan PTA will hold it's first sewing meeting of the new Fall term, at 12 noon, in the clubhouse of the Ocean View playground. Luncheon will be served by hostess's Mrs. William Kasakoff, Mrs. Mathew Shubin, and Mrs. Robert Greenley.

On Tuesday, Sept. 21, the Sheridan PTA held it's first business meeting of the new fall term. A luncheon was served honoring the new mother's The executive board provided the food, which was served by Mrs. William Kasakoff, Mrs. Ray Beach, and Mrs. Marion Tomita.

On Wednesday, October 6, there will be an executive board meeting in the school, at 9:30 a.m., presided over by Mrs. Everett Hale, president. The coming school rag drive, with Mrs. Walter Ebner in charge, will be discussed, among other things.

First Executive Board Meet For Crocker PTA Is Set

First Executive Board of the Crocker PTA will be held Tuesday afternoon at 1:30 p.m. in the Crocker school library. Plans for the year's work will be completed at this time. The complete program and the budget for the year has been set up and will be approved at this time. Plans will get under way for the annual bazaar which will be held in December.

The first regular meeting will be held Tuesday evening, October 12, at 8 p.m. in the Crocker library. Parents of the children attending Crocker school are invited to attend and meet the teachers. An interesting evening has been arranged, PTA officers said.

HILLCREST DRUIDS CLASS INITIATION SET OCTOBER 11

Hillcrest Circle No. 143, Druids, will hold a class initiation at the regular meeting Monday evening, October 11. The team, directed by Mrs. Catherine Foreman, will conduct the ceremonies. Members will also attend the Bay Area initiation at Druids Temple, San Francisco, on Saturday evening, October 16.

Regular meeting will be held next Monday evening followed by the monthly public whist. Mrs. Verna Healy and Mrs. Ann Foy will be chairmen.

A telephone whist will be held Thursday evening, Sept. 30, at the homes of Mrs. Madeleine Fellows and Mrs. M artha Wegner. An enjoyable evening is planned in both homes.

Under certain conditions the Central Valley Water Project pumping plant near Tracy will draw water from as far as 20 miles downstream in the Sacramento-San Joaquin delta.

Bayshore PTA Unit Strives For Larger Membership

Striving towards a goal of full membership, Mrs. Wayne Liebert, president of the Bayshore PTA unit, called upon her executive committee to assist with a coffee-break held Monday, Sept. 13, to acquaint all mothers enrolling children for the first time with our many activities and to invite them to join.

Serving in the Midway Village section were: Mrs. Marse Datzman, Mrs. Stella Filarski and Mrs. Thomas McNamara. Those who acted as hostesses in the regular school auditorium were: Mrs. Wayne Liebert, Mrs. Frank Barbara, Mrs. John Pleskach, Mrs. L. C. Malloy, Mrs. Bert Painchaud, Mrs. E. M. Hanschman, Mrs. Ruby Ackley and Mrs. Dominick Caloiaro.

Tapping of the gavel brought the first fall meeting to order at 2 p.m. September 15 in the Bayshore school auditorium.

Mrs. Liebert gave the welcoming address to invite the visitors to join the unit. Featured in conducting the meeting were the hospitality chairman, Mrs. Bert Painchaud, and the program director, Vice President Marse Datzman. Refershments were served by the Bayshore PTA who also presented each teacher a plant as a token of their esteem.

College Of San Mateo Students Are Busy With Fall Activities

Students of College of San Mateo have been busy with the first events of the fall semester. On Thursday, September 16, an Associated Students Assembly was held in the auditorium of the San Mateo High school. After introduction of officers and a welcome to the new students a six act variety show followed. Kearney Ellia and Bob Fischer, both of Burlingame, furnished much of the entertainment. Kearney is a talented ventriloquist and Bob is a comedy musician. Ken Calhoun, of Hillsborough, was the vocalist and Dick Collier, of Redwood City led the band. Dr. Claude Anderson, member of the faculty, provided some good comedy and Richard Leland, of Burlingame, performed as a pantomine artist. Skeet Taigen and Ken Calhoun presided.

On Friday, September 17, the Howdy Doody Dance was held in the Coyote Point gym and the music of Jack Fava made it a lively affair. Refreshments and an informal friendly atmosphere contributed to the goal of "getting acquainted."

The AWS and WRA Campus Daze luncheon and fashion show was the feature of the Wednesday noon hour, September 22. Country Style of San Mateo provided the fall showings of a college girl's wardrobe, which were modeled on the lawn of the President's Home. The models were Joan Pickering and Doreen Hunt, of San Carlos, Dorothy Davis of Belmont, Betty Priola, Janet Hague, Sue Stebenne, of Burlingame, and Carol Beresford and Jackie Goldsmith of San Mateo. Campus and town clothes were the main feature. Pat Schnider, AWS veep, was in charge of the show and Missy Rouleau and her WRA prepared the food. Narration was presented by "Al" Christiansen. Janet Sproule of Daly City served on the ticket committee.

"I traded my large 8-cylinder 4-door automobile for the Metropolitan"
"Since then I have enjoyed all sorts of fine, economical performance. Good riding—good steering—terrific mileage, both on a trip and around town. As for riding on a trip, I don't get nearly as tired as I did in my other car, and I would venture to say that my 'Met' will ride as well anywhere (rough roads included) as any of the medium-priced cars on the road today. I recommend this car to anyone who drives a lot and for long distances."

Read Matthew 26:36-41.

O my Father, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt. (Matthew 26:39.)

In the perfect way, Jesus lived the prayers He prayed. We, too, ought to live the prayers we express in words. To do so demands personal service on our part.

Many years ago a small group of Christian men met for prayer, asking that God would open the way to build a cathedral. They saw the need for a building set apart for worship, where they could through quiet meditation renew their faith in God. They fully realized that if their prayer was to be fulfilled, they would need the hands of an architect, the hands of masons, and the hands of carpenters.

The same is true in every relation involving doing God's will. I think of a woman who every day prayed for mission work. Then one day she realized that her prayer involved a contribution to missionary funds. Out of her earnings as a domestic servant she gave a sacrificial offering each year. Praying hands must be one with praying hearts.

PRAYER

Lead us, our Father, to those places of service which Thou hast prepared for us and meet us there with Thy guidance and help. Take our hands and let them be consecrated, Lord, to Thee. In Jesus' name. Amen.

THOUGHT FOR THE DAY

By God's grace we can live our prayers.

J. Clifford Mitchell (England)

HOLD RALLY DAY SUNDAY AT HOPE LUTHERAN

Promotion Activities Will Open Program

To give emphasis and encourage interest in its reorganized program of Christian education, Hope Lutheran church will hold its annual Rally Day program next Sunday in the Broadmoor community center.

The events of the day will begin with a Promotion Day program at 9:45 a.m., during the regular Sunday school hour. The children will be advanced into their new classes, and many recruits will enroll for the fall program. Armand Giese is the superintendent of the Sunday school.

After the classes have been properly assigned, the children will rehearse for the "family worship" service in which they will participate at 11 o'clock the same morning.

For many of the children, the annual Sunday school party will be the highlight of the day. The enrollment will have two divisions —the lower division meeting at 4 p.m. in the community center, and the upper division at 6:30 p.m. Mrs. Dale Williams, 299 Bel Mar, of the Sunday school staff, is arranging these programs, with the Rev. Louis Marting leading in the brief opening devotions.

All children who are receiving no religious education will be cordially welcome to all these events.

The Sunday school staff is comprised of the following: Mrs. Grace Marting, Mrs. Mary Stan, Mrs. Ida Janssen, Mrs. Virginia Neff, Miss Henrietta Matzen, Mrs. Thea Blecker, Mrs. Ellen Shehi, Mrs. Anita Giese, Armond Giese, Ben Sweetman, Gay Bitter, Mrs. Verona Williams, Mrs. J. Hirshberg, and the Adult Bible class is led by Pastor Marting.

Bethel Lutherans Observe Rally Day

Next Sunday, Rally day, will be observed at Bethel Lutheran church, Alemany boulevard and Huron avenue. The purpose of the day is to bring together all the forces of the church which have been more or less scattered during the summer. Also to enter upon plans for agressive work in every phase of the church's life.

The Sunday school will begin at 9:30 a.m. All pupils including new enrollments, will be welcomed. A baptismal service will be a part of the Sunday school hour. The children who have had a perfect attendance during the past year will receive their awards. Everyone is invited to send their children to Sunday school for a Christian training.

The church service will begin at 10:45 o'clock. The Rev. Herbert P. Schroeder will preach on the subject: "Nearer the Cross in Child Likeness."

CAL-NEVADA MISSIONARY GROUP MEETS

The Golden Gate Circuit of the California and Nevada district of the Lutheran Women's Missionary League, comprising women's groups from San Francisco to Santa Maria, will hold the Fall Rally at Bethel Lutheran church, Alemany boulevard and Huron avenue, on Tuesday, September 28. Registration will begin at 10 a.m., under the direction of Mesdames Florence Bredehoft and Agnes Brookfield. The opening devotion will be conducted by the Rev. Herbert P. Schroeder, pastoral advisor of the circuit.

Together with the business meeting, there will be features of inspiration, education and Christian fellowship. Professor Ernest F. Scaer of California Concordia college, Oakland, will present an illustrated lecture on his recent tour of Europe and his literary work at some of the universities. Mrs. Pearl Makela will serve as vocal soloist, accompanied by Mrs. Elizabeth K. Schroeder at the organ.

FORTY LOCAL STUDENTS IN RECITAL HERE

First Christian church was the locale for a student recital Sunday, presented by students of the Edna Hyers Studio.

Forty local students entertained a large crowd, with both classical and popular numbers. The program consisted of solos and duets, being performed on both pianos and accordions.

The program began at 3 o'clock and lasted until 4:30 Some outstanding talent was displayed by students ranging from six years to 16 years old.

During the intermission Hilton Kessler, a student of world-famed accordionist Galla-Rini, performed on the electric accordion.

The students were prepared by teachers, Mrs. Edna Hyers, Hilton Kessler, Mrs. Betty Klepfer and Mrs. Marie Rentsch.

Sunday at 3 p.m. at the same location another recital will be presented by the Edna Hyers studio, with a second group of 40 different students.

The public is cordially invited to attend.

Special Family Service At Lutheran Sunday

Hope Lutheran church announces that in keeping with its theme for October, "Building Homes for Christ," a special family service for children and their parents will be held at 11 o'clock next Sunday morning.

The special order of the Service will include music by the children and a reconsecration of our home, parents, children, and the teaching staff of the Parish Education Board of Hope church. The theme of this service is: "Homes Working for God." The Rev. Louis Marting will preach the sermon from Matthew 19:14: "Let the children come to me, and do not hinder them; for to such belongs the kingdom of Heaven."

You are cordially invited to attend this special worship hour in the interest of strengthening your own family life.

NOTICE OF IMPROVEMENT 90th Street, Et Al Project No. 54-1

NOTICE IS HEREBY GIVEN that on the 28th day of June, 1954, the City Council of the City of Daly City, California, adopted its Resolution of Intention No. 1996 wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Council to order the following improvements, to-wit:

The improvement of 88th Street from Edgeworth Avenue to Junipero Serra Boulevard, 89th Street, 90th Street and 91st Street from the easterly line of Broadmoor Village to Junipero Serra Boulevard, and Edgeworth Avenue and Sullivan Avenue from 87th Street to 91st Street by grading and constructing therein sanitary sewer mains, standard manholes with cast iron frames and covers, where not already constructed to proper line and grade, sanitary sewer laterals, storm water drains and appurtenances, water mains, fire hydrants and appurtenances, concrete curbs, gutters and sidewalks, crusher run base pavement with plant mix surface pavement, and all work auxiliary thereto necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the City Council and on file for public inspection in the office of the City Clerk of said City.

There is to be excepted from the work hereinbefore described any of such work already done to line and grade and marked excepted or shown not to be done on said plans, profiles and specifications.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished work to a grade different from that formerly existing, and that to said extent said grades are hereby changed and that said work will be done to said changed grades.

Said contemplated improvements, in the opinion of the City Council of said City, are of more than local or ordinary public benefit, and said Council does hereby make the costs and expenses thereof chargeable upon an assessment district, which district said Council declares to be the district benefited by said improvements and to be assessed to pay the costs and expenses thereof, the exterior boundaries of which are the coterminous exterior boundaries of the composite and consolidated area consisting of Lots 20 through 35, inclusive, of Block 1, Lots 14 through 35, inclusive, of Block 2, Lots 14 through 35, inclusive, of Block 3, Lots 14 through 35, inclusive, of Block 4, Lots 14 through 24, inclusive, of Block 5, Lots 1 through 24, inclusive, of Block 6, Lots 1 through 48, inclusive, of Block 7, Lots 1 through 48, inclusive, of Block 8, Lots 1 through 48, inclusive, of Block 9, Lots 1 through 48, inclusive, of Block 10, Lots 1 through 9 and 60 through 68, inclusive, of Block 11, Lots 1 through 9, inclusive, and 36 through 48, inclusive, of Block 13, Lots 1 through 10, inclusive, and 40 through 48, inclusive, of Block 14, and Lots 1 through 9, inclusive, of Block 15, all in Seventy-Five Dollar Lot Homestead.

The estimated cost of said project is $188,967.00.

Notice is hereby given that serial bonds to represent the unpaid assessments, and bear interest at the rate of not to exceed six per cent (6%) per annum, will be issued hereunder in the manner provided in the Refunding Assessment Bond Act of 1935 as modified in the Municipal Improvement Act of 1913, the last installment of such bonds shall mature fourteen (14) years from the second day of July next succeeding ten months from their date.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913. Reference is made to proceedings had pursuant to Division 4 of the Streets and Highways Code, on file in the office of the City Clerk.

Notice is further given that the City Engineer of said City, pursuant to said Act and said Resolution adopted pursuant thereto, did on the 14th day of September, 1954, file with the City Clerk of said City his report in writing on said improvements, consisting of plans, profiles, specifications, estimate of costs and expenses, diagram and assessment, and that said Council did on said date consider and examine said report, and by resolution preliminarily approved and confirmed it as filed, and ordered that said report stand as the report for the purpose of all subsequent proceedings had pursuant to said Resolution of Intention, to all of which reference is hereby made for further particulars.

NOTICE IS FURTHER GIVEN that Monday, the 25th day of October, 1954, at the hour of 8:00 o'clock P.M. of said day, in the Council Chambers, City Hall, Daly City, California, are the time and place appointed and fixed by said Council when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, and when and where it will hear all protests in relation to said proposed improvements, or to the grades at which said work will be done, or to the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment for the costs and expenses thereof, and that any person interested may file a written protest with the City Clerk of said City at or before the time set for the hearing referred to herein.

Dated: September 20, 1954.

Come Sunday You'll Get That Hour Back

Sunday morning thousands of north San Mateo county residents will wake up and find out they are an hour behind the times.

The reason: Daylight Savings time goes off Sunday, September 26, at 12:01 a.m. and if past year's are any indication, most people will forget about setting their clocks back an hour.

It won't make much difference, though, unless you haven't turned back the hands by Monday morning, in which case you will probably arrive at work 60 minutes too early

In case you think you're getting a bonus hour of relaxation time this weekend, it ain't so. You're only getting back that hour you lost last spring on April 25 when Daylight Saving time went into effect.

POSTPONE HEARING AGAINST WHITTAKER ON ASSAULT COUNT

Woodrow Wilson Whittaker, 37, of Fairfax, charged with assault and battery on his 33-year-old girl friend September 4, in a Colma motel, asked postponement of preliminary hearing in municipal court this Tuesday and hearing was re-set for next Tuesday at 10 a.m.

Whittaker was arrested Friday by San Francisco police and released on $250 bail.

The woman, Merle McDaniel of San Francisco, filed complaint against her motel companion, whom she says inflicted severe injuries upon her with his hands and feet.

Broadmoor police originally arrested Whittaker on a charge of being drunk in a public place, but issued a warrant for his arrest on the assault and battery charge a week later after the woman was recovered sufficiently to sign complaint.

BACK TO SCHOOL DANCE ON TONIGHT

Back to school will be the theme tonight (Friday) when the Misbe-Haven teen club presents a dance at the community center, beginning at 8:15 and lasting through 11:15 p.m.

Admission for members is 35 cents for stag, 60 cents for couples.

Non-members admission fee is 50 cents stag, 75 cents couples.

The club is expecting a crowd of between 400 and 500 youngsters.

Doors open at 7:45 p.m. tonight.

Dancing will be to the music of Bill Wagner and his orchestra.

Wilderness areas are open to the public without restrictions except those essential for protection from fire.

$2500 Damages In Crocker Blaze

A fire of undetermined origin at 499 Crocker avenue did an estimated $2500 damage early Saturday morning.

The blaze was first noticed by the owner, J. Halloran, who was sitting in the living room watching TV.

He alerted police, who summoned firemen.

When companies 1, 2, 4 and 5 arrived, flames had gutted most of the living room, dining room and their furnishings.

Firemen battled the flames for 25 minutes.

Although cause of the fire was not definitely established, Halloran said he thought it might have been caused by a cigarette, according to Chief Elmer Kennedy.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991 shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Nothing herein shall alter the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. The bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenue of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the moneys in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds autnorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out such plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

NEW CAR—OLD LOOK

Have you ever noticed how many cars less than a year old have dull, unattractive finishes? In most cases they have never been polished and probably not washed more than once every few months.

Polishing your car with a good quality wax polish is not just a beauty aid; it also preserves the the finish by sealing the pores of the paint against acidic moisture, reminds the California State Automobile Association. Polish your car at least twice a year.

NOTICE INVITING SEALED PROPOSALS

WESTLAKE AREA
SEWAGE PUMPING PLANT AND FORCE MAIN
NORTH SAN MATEO COUNTY SANITATION DISTRICT

NOTICE IS HEREBY GIVEN that sealed proposals or bids will be publicly opened, examined and declared on October 11, 1954, at the hour of 2:00 o'clock P.M. at the meeting place of the Board of Directors of North San Mateo County Sanitation District, 7328 Mission Street, Daly City, California, for the construction of a pumping plant and force main southwesterly of El Portal Way.

Said proposals or bids must be enclosed in sealed envelopes addressed "North San Mateo County Sanitation District, 7328 Mission Street, Daly City, California, at or before 2:00 o'clock P.M. of said day, and endorsed "Proposal—Pumping Plant and Force Main."

Payments for said work to be done by the contractor shall be made in cash by said District to the contractor on itemized estimates duly certified and approved by the District Engineer and the Board of Directors, based on labor and materials performed and furnished by the contractor and incorporated into said work during the preceding month, but said District shall retain 10% of the amount of each such estimates, and the accumulation of said amounts so retained from said progressive payments will be paid to said contractor thirty-five days after the completion and acceptance of said work by said District Engineer and the Board of Directors.

All proposals or bids shall be accompanied by a check payable to the order of the District, amounting to 10% of the bid, or by a bond in said amount and payable to said District, signed by a corporate surety or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District, in case the bidder depositing the same does not, within ten (10) days after written notice that the contract has been awarded to him, enter into a contract with the District, the faithful performance of which shall be secured by an undertaking in the amount of 50% of the amount so bid, with sureties satisfactory to the said Board of Directors, and which shall be accompanied by a labor and material bond in a sum equal to 50% of the amount of said bid, under the provisions of Title 1, Division 5, Chapter 3 of the Government Code.

Notice is hereby given that on September 13, 1954, the said Board of Directors adopted a resolution determining the general prevailing rate of per diem wages in the locality in which the public work herein provided is to be done for each craft or type of workman needed to execute the contract, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for a full and detailed description thereof.

The District reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

Plans and specifications may be obtained at the office of R. A. Klassen, 2221 Broadway, Redwood City, California, upon deposit of $10.00 therefor, which will be refunded upon the return of said plans and specifications in good condition within five days of the date set for opening bids.

Dated: September 13, 1954.

Tentative First Team Named At Jefferson

Rough contact work for Jefferson's varsity gridders started Monday and as a result Coach Joe McGrath has come up with what is a "very tentative" first team.

As of Monday, this is how McGrath and assistant mentor Tony Giammona have the No. 1 squad staffed: Mike Cloonan, right end; Gus Trendel, right tackle; John Murphy, right guard; Al Figone, center; Harry Sampson, left guard; George Melodia, left tackle; Richard Guisti, left end; Tex Prentice, fullback; Del Hamann, right half; Jim Honeywell, left half; and Bob Grubb, quarterback.

BACKFIELD VETS

Hamann and Honeywell are the backfield veterans who saw quite a bit of duty last year. Hamann played behind Wally Honeywell last season, but the latter was out with injuries a good portion of the campaign, allowing Hamann to pick up a lot of football savvy.

Lineman Sampson drew his tutors' praise for blocking, as work on the bag and actual contact play opened. Cloonan also sharpened a little on the blocking and has been tabbed a good pass receiver.

Guisti, who performed at a linebacker post last year, may anchor the left flank. He has shown crisp tackling, fair-to-middlin pass reception.

Trendel, who has, at least temporarily, been assigned the starting right tackle job, is up from last year's fourth string. The 220-pounder has worked hard to gain a tentative post with the first eleven.

Melodia, named left tackle on the A team, is a senior who saw limited duty last year.

Could Be Placed

McGrath was quick to point out that, "Any one of these players may be replaced by our second team personnel. We're doing a lot of shuffling around to see how different boys work together.

Asked for what he might call a second team, McGrath submitted the following list: Ted Amerkhas, right end; Al Gerrans, right tackle; Ron Cryer, right guard; Don Wiesner, center; Sam Kazy, left guard; Herman Kihs, left tackle; Richard Rodriquez, left end.

In the backfield the Indian tutor placed Jim Smith at quarterback, big George Seger at fullback, Ron O'Rourke and Bob Queen at the half spots.

Amirkhas A Comer

In work with the wide bags this week, McGrath said Amirkhas looked particularly good. The 155-pound junior up from last year's frosh-soph also shone on downfield blocking, the coach said.

Some of these boys on the second team actually alternate with the first squad, McGrath pointed out.

Play development and basic fundamentals have been consuming most of the Jeffs time during these initial two weeks of practice.

Limit of injuries was a couple of bruises, McGrath said. "We've been taking it slow to avoid any pulled tendons from over-work of unused muscles," McGrath added.

In the offensive department, McGrath has turned up several potential passers. Queen, a senior transfer from West Virginia, Wayne Lee, a senior out for his first year of varsity ball, and Honeywell are all "coming around," according to McGrath.

Any Could Handle

"Any one of these boys could develop as our passer," McGrath surmised.

The overall picture, as McGrath sees it, is "a green bunch of kids who'll probably come along about mid-season."

This would be fine, except for the fact that the Indians' first five games pit them against the strongest teams in the league.

At any rate, if McGrath does nothing else this year, he'll be doing a building job for the next season. On his first club there are seven juniors, while nine third-year men make up the second team, making a total of 16 juniors out of 22 first and second string players.

Look At Serra

McGrath and Giammona will journey to San Jose's Townsend field this weekend to take a look at what's going to face them in their opening game next Friday afternoon when they meet Serra High school here in a practice tilt. Serra is facing another CCAL opponent, Bellarmine.

The Jeffs will go out of the frying pan, into the fire, so to speak, when they make their debut in PAL league play the following Friday against San Mateo.

HOMES 9 STOPS POMONA

Westlake Club Wins O'Shaughnessy Title

Timely extra-base hits gave Westlake Homes the championship in Funston Night league O'Shaugnessy playoffs Sunday as they conquered league winner Pomona Tile, 5-2.

Ed Lampe tossed for Jack Ingles' local nine, allowing Pomona only four hits, six walks, and striking out four batsmen.

The Homes club jumped to a first-inning 2-0 lead, as Bert Hazel, Nick Ciznich and Ralph Gentile placed back to back a triple, and two doubles, respectively.

They never were headed after that, although the Tile gang tied it up in the fourth.

Pomona picked up one run in the third frame and another in the fourth to deadlock the contest, 2-2.

The Westlakers moved ahead, 4-2, in the sixth canto. Lefty Brown doubled, followed up with singles by Art Von Wronski and Ed Lampe, bringing in one tally.

With two men on, Jim Candler advanced the runners as he was safe on an error, scoring another run.

Holding a 4-2 advantage as the eighth inning opened, the Westlakers posted another run.

With runners at first and second, Ciznich bunted, loading the bags. Next man up, Gentile, squeezed across the final tally.

Defensively, Westlake was at their prime Sunday, registering three double plays. One came in the last of the ninth with one man on to throttle a last-ditch Pomona drive.

Rich Lampe, Ciznich and Brown led the offensive attack with a pair of hits apiece.

Starting this week the local nine will enter the Saturday league play, and will debut in the Sunday AA circuit the following week.

Ingles' other team, Finn, Smith, and Mercraft, won a 4-1 decision over Marin City All Stars Thursday, as Jeff High ace Lowell Creighton struck out 18 men in seven innings, allowed only three men to reach base.

CLAUS-KANE PACE SARTO PLAYOFF WIN

Three-hit pitching by Larry Kane and a four-hit spree by diminutive third sacker George Claus gave Sarto No. 1 a 9-4 victory over Broadmoor Saturday at Jefferson High diamond in the first game of the 1954 Little playoffs.

A goodly-sized audience watched Broadmoor rally to an early 2-0 lead in the first frame, only to have it mullified in Sarto's half of the initial inning, as Claus led off with a two-base smash that had a demoralizing effect on Broadmoor's defense and wound up handing the Sarto club five runs.

Pirates Miscues

After Claus' double, Barry Krohn walked and, in succession, Bill Whalen, Larry Kane and Ronnie Kalinin got on with the help of Broadmoor bobbles, forcing across two runs.

With the sacks full, Pirate pitcher Phil Fair threw a fast ball to Skip Crudo, who nailed a double to check in another trio of tallies, giving Sarto a 5-2 advantage at the end of the inning.

In the second inning Sarto built up a more comfortable lead as Claus singled, Whalen doubled, Kane singled and Kalinin poled a wicked triple, resulting in a total of four runs.

In the fourth canto, behind by seven runs, the Pirates made what proved to be their final bid to overtake Sarto as Roger Walorinta walked, Paul Hancey got on via an error and Fair singled, scoring Walorinta. With two away, J. B. Berry whacked a sharp-driven ball to Claus, who misplayed the ball, allowing Fair to score.

Kane Tightens

With the score standing 9-4, Kane knuckled down to blank the Pirates for the remaining innings.

Kane gave up three singles and fanned seven Pirate batters. Fair allowed the Sarto club 10 hits.

The Pirates must win Saturday to stay in the two-out-of-three series for the title.

Game time is 12 noon, again at the Jefferson High diamond.

Johnson Tamale Nips Combo Team

Johnson's Tamale of Westlake swung back into action Sunday with a 6-4 win over a combination team made up of Guadalupe Natives and the Castro Natives on their home field in San Mateo.

Johnson's maintained their lead throughout, mostly due to the hitting and fielding of 15-year-old Jeff high student Bob Bailey, first baseman. Don Guisti pitched a steady game for Johnson's.

Tony Lugo has replaced Dick Nip as manager of the Tamale team. Dick has been transferred in his government job to a new territory.

Tintinnabulation Of Bells, Bells, Bells

Things have been noisy at Jefferson High school since school opened a week ago Monday.

When contractors completed the new cafeteria, they installed a fire alarm system.

They forgot the fire alarm should be on a circuit separate from the school bells.

So all last week and the early part of this week every time the school bells rang at the beginning and end of the hourly class periods, the fire alarm sounded out loud and clear.

Monday afternoon electricians remedied the alarm problems.

They managed to get the alarm shut off. Then the bells started ringing—not every hour—but continuously.

Superintendent Stanford Hannah says he doesn't know which is worse: Having to hear the fire alarm every hour or the bells ring incessantly.

At last report elecricians were still frantically trying to get the bells, the alarm, and the students back on their respective schedules.

Horseshoes Revival In DC Next Month

Horseshoes will be revived in Daly City October 10 and 17 when the recreation department presents a singles and doubles tournament at Marchbanks park.

Competition will be limited to adults. Sign-ups may be made at the community center or the playgrounds.

Deadline for entries is October 8.

The 1952 defending singles champ Mike "Mohair" Orlich of Jefferson High sechool has already placed his entry, as has Lawrence Kennedy, who teamed with Orlich to win the doubles in '52. Among the other many entries is Ray Savage, chief of the Broadmoor police department.

SEVENTY-FIVE SHOW AT SM COLLEGE FOR FALL GRID PRACTICE

Seventy-five gridders have started fall practice at College of San Mateo under the direction of Coaches Duane Whithead, Herb Hudson and Dell Fishback. They represent nearly every high school in the county. Included in the list are ten veterans. The Mateans play eight games. The two non-league games are with Orange Coast college and Hartnell college.

The schedule:

Oct. 2—Orange Coast at Costa Mesa.

Oct. 9—West Contra Costa at Burlingame.

Oct. 16—Santa Rosa JC there.

Oct. 23—Stockton college at Redwood City.

Oct. 30—Hartneil college at Redwood City.

Nov. 5—City College of San Francisco there (Day).

Nov. 12—Modesto Junior college there.

Nov. 20—Sacramento JC at Redwood City.

San Mateo will use the Sequoia Union High school field and the Burlingame High field for home games, and all are at night.

GOP INCUMBENTS ISSUE WARNING

The GOP campaign kickoff meeting held last Wednesday at the San Mateo City Council Chambers, found Republican incumbent office holders issue stern warning to Republican workers in this area to mobilize their forces and diligently attack the program of their opponents in this area to insure victory in November.

Leaders from throughout the county heard the representatives of State office holders, Hugh Smith Jr., San Carlos, speaking for Governor Goodwin J. Knight, John Cost, Chairman of the Powers for Lt. Governor Committee and Colin Kelley, representing Controller Robert Kirkwood. James Fitzgerald, recently appointed Co-Chairman of the Kuchel Campaign Committee, gave a brief rundown on what can be expected in the coming Senatorial race.

The local issues were sparked when Assemblyman Daniel J. Creedon led the attack against the tactics of the Demos in this area, stating that the responsibility of the Republicans is to bring the issues and background of their candidates to the Democrats so that they may, by comparison alone, have not other choice than to vote for the incumbent.

THREE DALY CITY GRIDDERS REPORT AT MATEO COLLEGE

Mike Laramie, 175 pound halfback, John Madden, 240 pound lineman, and Len Monson, 182 pound end, are gridders from Daly City now out for the team at College of San Mateo. Laramie is a graduate of Serra High, while Madden and Monson hailed from Jefferson Union High.

San Mateo s having daily workouts and last Saturday held a supervised scrimmage with Menlo College to give the players game practice. The Mateans open their schedule at Costa Mesa Oct. 2 against Orange Coast College.

LOCAL HACKER WINS MERCED GOLF PLAY

Daly City hacker Bob Hunter, president of the local Chamber of Commerce, won his first weekend sweepstakes golf play at Lake Merced Saturday, firing a 97-30—67.

Other leaders were: Mike Lenihan, 83-13—67; Joe Orengo, 87-16—71; Barney Rose, 85-14—71; Harry Wallach Jr., 79-8—71.

Mossi Helps Cleveland Tie 27-Year-Old League Mark

DC ACE LEADS TRIBE TO WIN NUMBER 110

Don Mossi, former Daly City sandlot player who went all the way to the top this year, helped break a 27-year-old American league record Wednesday as he pitched the champion Cleveland Indians to a 4-1 victory over the Chicago White Sox.

The win brought Cleveland's victories to 110 this year, tieing the American circuit record set in 1927 by the New York Yankees.

Mossi's win, his seventh this season against one loss, was fashioned off a four-hit effort. Up to the last of the ninth he had a shutout working.

In the final frame the Sox scored a lone run on a long fly ball.
ball.

Although only a freshman in big league play, Mossi will be among the favored few to participate in the World Series which opens next week when his Indians square off against the New York Giants, national league champs.

Because of his rapid ascension in the baseball world, the city council Monday voted to forward Mossi a congratulatory message on his entering the World Series.

Councilman Edward Dennis, in recommending an official resolution of praise to Mossi, said, "We should be proud that one of our own youngsters who once participated in recreation activities at Marchbanks park is now about to enter the World Series."

Each dial on the four-faced clock on the Ferry Building at San Francisco is 22 feet in diameter with numerals three feet long.

A GOLDEN ARM—The talented left hand of Daly City's Don Mossi gave Cleveland a 4-1 win over Chicago White Sox Wednesday and broke a 27-year-old American league record. Mossi's win was the 110th for the champion Indians and equalled the record number of victories compiled by the 1927 New York Yankee team. Besides pitching a brilliant four-hitter for the significant victory Wednesday, Mossi also belted out a single for the Tribe.

BOXING LICENSE "ASSURED"

Men's Club Tentatively Sets Oct. 28 For Bouts

The OLPH Men's club this week felt assured that license would be granted for presenting a monthly amateur fight card at the local community center, following the state athletic commission's consideration of the proposal Thursday.

Bob Lynch, promotion manager for the program, said that the commission's attitude toward the fistic activity was "favorable."

"It looks like the license will go through without any trouble," said Men's club president Richard Liberty.

The club is already negotiating for performers at their opening matches, tentatively set for October 28.

The men's group is lining up former champions and luminaries in the bygone ring eras to appear at the first night bouts.

Among them will be Willie Ritchie, former world's light heavyweight champion, vintage 1910, who is now chief inspector for the state athletic commission.
